Slow Cooker Cherry Almond Oatmeal

I found this recipe on the clean eating diet online website and it is amazing! Slow Cooker Cherry Almond Oatmeal is genius!

Mornings can be a rush: getting the kids off to school and yourself out the door! This recipe is a delicious way to eat clean and not be late for work! Here's what the author had to say: "I love steel cut oats, but I am always too rushed in the morning to take the time to cook them. I turn on my slow cooker before bed and I wake up every morning to a steaming hot bowl of oatmeal. It's such a great way to start my day. The dried cherries and toasted slivered almonds make it extra special!"
